

## Method 02 - Eight Groups - Pāli and Translation

1. (171) Cakkhāyatanaena ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā, te dhammā katihi khandhehi katihāyatanehi katihi dhātūhi asaṅgahitā? Te dhammā catūhi khandhehi dvīhāyatanehi aṭṭhahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the eye base. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 2 bases and under 8 elements.*
2. (171) phoṭṭhabbāyatanaena ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā, te dhammā katihi khandhehi katihāyatanehi katihi dhātūhi asaṅgahitā? Te dhammā catūhi khandhehi dvīhāyatanehi aṭṭhahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the tangible object base. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 2 bases and under 8 elements.*
3. (172) Cakkhuvīññādhātuyā ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā te dhammā katihi khandhehi katihāyatanehi katihi dhātūhi asaṅgahitā? te dhammā catūhi khandhehi ekādasahāyatanehi dvādasahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, classified using the bases, unclassified using the elements by the eye consciousness element. Under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 11 bases and under 12 elements.*
4. (173) itthindriyena ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā te dhammā katihi khandhehi katihāyatanehi katihi dhātūhi asaṅgahitā? te dhammā catūhi khandhehi dvīhāyatanehi aṭṭhahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the femininity faculty. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 2 bases and under 8 elements.*

5. (174) Asaññābhavena ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā te dhammā katihi khandhehi katiḥāyatanehi katihi dhātūhi asaṅgahitā? te dhammā catūhi khandhehi tīḥāyatanehi navahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the non perceived becoming. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 3 bases and under 9 elements.*
6. (176) Anidassanasappaṭighehi dhammehi ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā te dhammā katihi khandhehi katiḥāyatanehi katihi dhātūhi asaṅgahitā? te dhammā catūhi khandhehi dasahāyatanehi soḷasahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the states invisible but impinging, under how many aggregates. Under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 10 bases and under 16 elements.*
7. (178) Sappaṭighehi dhammehi ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā, te dhammā katihi khandhehi katiḥāyatanehi katihi dhātūhi asaṅgahitā? Te dhammā catūhi khandhehi ekādasahāyatanehi sattarasahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the states with impinging. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 11 bases and under 17 elements.*
8. (178) upādādhamehi ye dhammā khandhasaṅgahena saṅgahitā āyatanasaṅgahena asaṅgahitā dhātusaṅgahena asaṅgahitā, te dhammā katihi khandhehi katiḥāyatanehi katihi dhātūhi asaṅgahitā? Te dhammā catūhi khandhehi ekādasahāyatanehi sattarasahi dhātūhi asaṅgahitā. *These states are classified using the aggregates, unclassified using the bases, unclassified using the elements by the states which are derived. Under how many aggregates, under how many bases and under how many elements are those states unclassified? Those states are unclassified under 4 aggregates, under 11 bases and under 17 elements.*
